FOR IMMEDIATE RELEASE

MERIDIAN AIR CHARTER ADDS CHALLENGER 604 TO FLEET

Teterboro, NJ, October 6, 2014 – Meridian, the award-winning private aviation company based at Teterboro Airport, is pleased to announce the addition of a newly refurbished Challenger 604 (N575AG) to its managed fleet of twenty-five business jets. The aircraft will be based in Bedford, MA (BED), and it is immediately available for charter (Certificate IMJA053F).

With a maximum cruise speed of Mach 0.82 (541 mph; 870 km/hr) and an intercontinental range of over 4,600 statute miles (7,403 km), this twelve-passenger heavy jet is suitable for both short and long haul trips. It was born in 2005, and was fully refurbished and repainted in 2014. Providing superior comfort for its passengers, it offers an extended cabin which allows for more interior space, stand-up room of over six feet, and a passive noise insulation system.

This luxuriously designed aircraft is complete with all the creature comforts, including leather club seating, berthable divan, full galley with microwave and convection ovens, coffee machine, and private lavatory with sink. It also features the latest technology, including a wireless satellite phone, Gogo Biz® high speed wifi, 20" monitors with Airshow® 400 (moving maps), iPhone/iPad/iPod connectivity, and a DVD Player.

Andrew Ladouceur, VP of Charter Sales, says, "The Challenger 604 is a welcome addition to our charter fleet because of its versatility and size. This model aircraft is always in high demand, and we are excited to offer our customers the comforts and amenities of a brand new cabin interior. I think that passengers will also be pleased with the range of onboard connectivity, where they will be able to do everything from making phone calls and checking emails to listening to music and watching movies."

Meridian currently manages a wide range of aircraft types that are available for private charter, including: Global 5000, Gulfstream G550, Gulfstream GIV-SP, Falcon 900EX EASy, Falcon 2000, Challenger 604, Challenger 601-3R, Challenger 601-3A, Gulfstream G200, Hawker 900XP, Hawker 800XP, Hawker 800SP, Citation XLS, Citation VII, and Citation Mustang. Other aircraft types can also be obtained through Meridian's extensive network of qualified brokers.

About Meridian:

Meridian is a full-service, private aviation company based at Teterboro Airport in Teterboro, NJ, located just minutes from New York City.
