FOR IMMEDIATE RELEASE

MERIDIAN AIR CHARTER ADDS ANOTHER FALCON 2000 TO WEST COAST FLEET

Teterboro, NJ, June 29, 2016 – Meridian, the award-winning private aviation company based at Teterboro Airport in Teterboro, NJ, is pleased to announce the addition of its second Falcon 2000 (N98RP) to its growing West Coast fleet of private business jets. This large cabin aircraft, completed in 2002 and refurbished in 2014, seats up to ten passengers. It is based at San Jose International Airport in San Jose, CA, and it is immediately available for charter (Certificate IMJA053F).

The Falcon 2000 is a long range, twin-engine business jet that offers the perfect combination of luxury and efficiency. The aircraft has a range of up to 3,130 statute miles with a maximum cruise speed of 475 mph. It comes fully-equipped with all of the features and amenities expected from today's discerning business traveler: leather club seating, full galley with microwave and convection ovens, espresso machine, private lavatory with sink, and berthable seats that can accommodate three beds that could sleep up to four people.

The aircraft also features the latest technology, including complimentary domestic Wifi, two iPad Pro tablets, an inflight satellite phone system, large 18" bulkhead monitor with Airshow® 3D moving maps, individual viewing monitors, and a multimedia entertainment center that features a DVD/CD player.

Greg Johnson, Director of Business Development, says, “This Falcon 2000 is a great complement to our growing Northern California fleet. It is our third aircraft based near Silicon Valley, and our second heavy jet in the region. We can now offer our valued clients additional lift for both domestic and international trips from the San Francisco Bay area. As we build our presence on the West Coast, we will continue to focus on increasing the depth and range of our fleet with late-model aircraft while always maintaining our high safety standards.”

Meridian currently manages a wide range of aircraft types that are available for private charter: Global 5000, Gulfstream G550, Gulfstream GIV-SP, Falcon 7X, Falcon 900EX EASy, Falcon 2000EX EASy, Falcon 2000, Challenger 605, Challenger 604, Challenger 601, Gulfstream G200, Hawker 900XP, Hawker 800XP, Citation XLS, and Citation VII. Other aircraft types can also be obtained through Meridian’s extensive network of qualified operators.

About Meridian:

Meridian is a full-service, private aviation company based at Teterboro Airport (TEB) in Teterboro, NJ, located just minutes from New York City. Meridian owns and operates businesses that include Air Charter, Aircraft Management, Aircraft Maintenance, and a world-class Executive Terminal / FBO. We also have charter sales offices located at Van Nuys Airport (VNY) and Sonoma County Airport (STS) in California. In 2016, the company is planning to open its second FBO at Hayward Executive Airport (HWD) in Hayward, CA.

Meridian has earned numerous industry awards and accolades for its exceptional service and high safety standards: 2016 Top Rated FBO in Northeast by AIN FBO Survey; 2016 Top US FBO in Northeast by FltPlan.com; 2016 Best FBO at TEB by *Professional Pilot* PRASE Survey; 2016 Best CSRs by *Professional Pilot* PRASE Survey (#3 for Betsy Wines and #5 for Victor Seda); ARG/US Platinum Rated; IS-BAO Registered (Stage 2); Wyvern Wingman Certified.
