

Meridian Air Charter adds Denver, CO Based Falcon 900EX EASy

TETERBORO NJ, October 13, 2009

Meridian Air Charter, the Teterboro, NJ based Private Aviation Services Company, is proud to announce the addition of a Falcon 900EX EASy to their fleet of charter aircraft. The premium large cabin Falcon is based in Denver, CO (APA) and available for charter. Meridian's Director of Aviation Sales, Mike Moore states, "The Falcon 900EX EASy is an impressive aircraft that compliments our growing fleet with its intercontinental capabilities."

Dassault engineers meticulously built this stunning jet from the inside out. The Falcon 900EX EASy spaciouly seats 13 and offers a stately cabin that boasts comfort and productivity with superior elements of design. The plush, camel-colored leathers seats are berthable for rest and relaxation. The warm and natural color palette includes wheat carpeting, golden chestnut woodwork and ecru-cream walls. The passenger private lavatory with sink is comfortable and elegant. The Falcon 900EX EASy is equipped with a crew lavatory at the front of the aircraft; client privacy and comfort are top priorities at Meridian. The Falcon's cabin will facilitate your dining and work needs. This unique floor plan provides the passenger with peace and quite for ultimate relaxation or productivity. The in-flight service staff can accommodate passengers with the most lavish of dining needs in the fully equipped galley.
