FOR IMMEDIATE RELEASE

MERIDIAN AIR CHARTER ADDS FALCON 2000EX EASy TO FLEET

Teterboro, NJ, January 30, 2015 – Meridian, the award-winning private aviation company based in Teterboro, NJ, is pleased to announce the addition of a Falcon 2000EX EASy (N12MW) to its growing fleet of private business jets. This large cabin aircraft was completed in 2004 and seats up to eight passengers. It will be based at Teterboro Airport (TEB), and is immediately available for charter (Certificate IMJA053F).

The Falcon 2000EX EASy was born of an evolution. Dassault had decided to continue the success of the Falcon 2000 model by making the 2000EX even better. It added more powerful and efficient engines, and installed an advanced avionics system in the cockpit called EASy. The EASy flight deck is a highly intuitive system developed by Honeywell that vastly improved crew situational awareness and safety over previous generation models. The result was the Falcon 2000EX EASy, which provides the ideal mix of comfort and range for long distance travel.

The aircraft comes fully-equipped with all of the features and amenities required by today's discerning business traveler: leather club seating, berthable divan, full galley with microwave and convection ovens, coffee machine, and private lavatory with sink. It also features the latest technology: Iridium satellite phone,

Gogo Biz® high-speed wifi, 17” bulkhead monitors with Airshow® (3D moving maps), individual cabin monitors, and a CD/DVD player.

Andrew Ladouceur, VP of Charter Sales, says, “The Falcon 2000EX EASy is a great addition to our fleet because of its business-friendly profile. It has the flexibility for both domestic and international trips, while also offering the hardware for inflight connectivity. Our goal is to provide a seamless experience for our customers, and this aircraft is the perfect fit to help us to achieve that objective.”

Meridian currently manages a wide range of aircraft types that are available for private charter: Global 5000, Gulfstream G550, Gulfstream GIV-SP, Falcon 900EX EASy, Falcon 2000EX EASy, Falcon 2000, Challenger 604, Challenger 601-3R, Challenger 601-3A, Gulfstream G200, Hawker 900XP, Hawker 800XP, Hawker 800SP, Citation XLS, Citation VII, and Citation Mustang. Other aircraft types can also be obtained through Meridian’s extensive network of qualified operators.

About Meridian:

Meridian is a full-service, private aviation company based at Teterboro Airport (TEB) in Teterboro, NJ, located just minutes from New York City. Meridian owns and operates businesses that include Air Charter, Aircraft Management, Aircraft Maintenance, and a world-class Executive Terminal / FBO. It also has charter sales offices located throughout Northern California, including Hayward Executive Airport (HWD), San Jose International Airport (SJC), and Sonoma County Airport (STS). In 2016, the company is planning to open its second FBO at Hayward Executive Airport (HWD) in Hayward, CA.

Meridian has earned numerous industry awards and accolades for its exceptional service and high safety standards: 2014 Best Northeast FBO by FltPlan.com, 2014 Best CSRs by *Professional Pilot* PRASE Survey (#1 for Betsy Wines and #5 for Victor Seda), 2014 Best FBO at TEB by AIN FBO Survey, 2014 Best FBO at TEB by *Professional Pilot* PRASE Survey, ARG/US Platinum Rated, IS-BAO Registered (Stage 2), and Wyvern Wingman Certified.
