FOR IMMEDIATE RELEASE

MERIDIAN AIR CHARTER ADDS GULFSTREAM G550 TO FLEET

Teterboro, NJ, April 1, 2014 – Meridian, the award-winning private aviation company based at Teterboro Airport, is pleased to announce the addition of a Gulfstream G550 (N474D) business jet to its ever-growing managed fleet. With a range of up to 6,750 nautical miles, the Teterboro-based aircraft is well-suited for both domestic and international destinations. The interior of this beautiful G550, which seats up to 14 passengers, was commissioned by famous designer Thierry W. Despont. The aircraft is now available for charter (Certificate IMJA053F).

This Ultra Long Range jet was fully refurbished and repainted in March 2014, and has been loaded with amenities that are ideal for international travel: berthable seats (up to 6), Aircell® Axxess (satellite phone) and Gogo Biz® (domestic WiFi), Inmarsat SwiftBroadband HD710 (international WiFi), 17" LCD monitors with Airshow® 4000, Blu-Ray Disc players, full galley with sink, microwave & convection ovens, coffee makers & espresso machine, private lavatories with sink, FAA-certified crew rest area, FANS 1/A Compliant, and onboard safe & security system.

Andrew Ladouceur, VP of Charter Sales, says, "We are extremely pleased to offer our customers another great option for long haul trips. The G550 is the perfect complement to our fleet of other heavy jets, and it is equipped with all the

latest technology and fine appointments needed for a productive and comfortable flight.”

Meridian currently manages a wide range of aircraft types that are available for private charter, including: Global 5000, Gulfstream G550, Gulfstream GIV-SP, Gulfstream GIV, Challenger 601-3A, Challenger 601-3R, Falcon 900EX EASy, Falcon 2000, Gulfstream G200, Hawker 900XP, Hawker 800XP, Hawker 800SP, Citation XLS, Citation VII, and Citation Mustang. Other aircraft types can also be obtained through Meridian’s extensive network of qualified brokers.
