FOR IMMEDIATE RELEASE

MERIDIAN HAYWARD VIDEO EXEMPLIFIES COMMITMENT TO SERVICE

Hayward, CA, July 17, 2017 – Meridian, the award-winning private aviation company with FBO locations at Teterboro Airport (TEB) and Hayward Executive Airport (HWD), is pleased to announce the launch of a new video featuring Meridian Hayward. The video is an introduction to its recently-opened facility situated on the San Francisco Bay in Northern California. It provides an overview of the terminal and hangar while also explaining the convenience and benefits of Hayward's location for business aviation. The video gives a first-hand look at the vast array of services and amenities offered to passengers and pilots. The video's length spans 2 minutes and 13 seconds.

Kirk Stephen, Director of Marketing, was excited about the launch. "This video offers viewers an in-depth perspective into our new FBO in Hayward, while also creating awareness to the advantages of flying into HWD. Our customers who know us from Teterboro will recognize that we have brought the same attention to detail and high level of customer service with us to Hayward. Whether you fly on the East Coast or West Coast, we want people to know that the Meridian brand is the same everywhere."

The video can be viewed here: <https://youtu.be/PLzMExYC5xQ>. It can also be found on the home page of the Meridian website (www.meridian.aero), as well as on Meridian's YouTube channel (www.youtube.com/meridianteterboro).
