

Meridian Jet Center Partners with Bombardier as its Warranty Work Center

TETERBORO, NJ, March 10, 2008

Meridian Jet Center, a private aviation services company, was recently designated as a Bombardier Warranty Work Center at Teterboro Airport; this service comes as part of the Bombardier Business Aircraft Service Center Network's revised AOG support plan.

"Meridian has provided service to the Bombardier product for a number of years;" said John Langschultz, VP Meridian Jet Center, "to be recognized by Bombardier to perform warranty work adds credibility to our commitment to our customers."

Customers are instructed to contact the applicable Bombardier CRC. Upon approval of the Warranty coverage, Meridian's award winning maintenance crew will receive the directive to provide on site, reliable service.

Headquartered in Teterboro, New Jersey, Meridian is an award-winning, full service private aviation services company. Established in 1958 and with business roots originating in 1946, Meridian is still privately owned and operated today. Meridian's accumulated expertise offers a complete suite of professional aviation services:

- Meridian Jet Center-FAA authorized repair station
- Meridian Jet Center Detailing
- Meridian Teterboro-FBO Terminal Services
- Meridian Air Charter
- Meridian Aircraft Management
