FOR IMMEDIATE RELEASE

MERIDIAN RANKS #1 IN PILOTS' CHOICE AWARDS

Teterboro, NJ, June 1, 2012 – Meridian Teterboro, the family-owned FBO based at Teterboro Airport (TEB) near New York City, has been ranked #1 among the Top 50 US FBOs in the 2012 Pilots' Choice Awards survey by FltPlan.com. This has been the third consecutive year that Meridian has received the top spot. Also noteworthy, the FBO has placed #1 among the Top 5 Northeast US FBOs, and it has ranked #11 in the Top 25 "Star FBOs". This category was created by using airport arrival data to generate a ranking that takes into account the traffic at an airport and the amount of competition on the field. In this category, Meridian was the highest ranking FBO in the Northeast.

Betsy Wines, VP Customer Service & HR, had this to say, "Winning this award three years in a row is a reflection of our best asset - our employees. We love to make our customers feel like they are part of our family. I think that this survey shows what an impact this approach has on the pilots. Their continued support means a lot to us."

FltPlan.com has active accounts for over 120,000 pilots, most of which fly multiple trips each week. FltPlan.com users, customers who truly frequent these FBOs, have cast thousands of votes for their favorites among 17 categories, including Top US FBOs, and Top US FBOs by region. Over 1,000 FBOs garnered votes in the awards and the pilots' favorites reached the top.

About Meridian:

Meridian is a full-service, private aviation company based in Teterboro, NJ, located just minutes from New York City. The company has earned numerous industry awards and accolades for its outstanding service and state-of-the-art facility. Meridian owns and operates businesses that include Aircraft Management, Aircraft Maintenance, Air Charter, and a world-class Executive Terminal / FBO that was completed in 2006.
