**FOR IMMEDIATE RELEASE**

### **MERIDIAN TO BASE AIRCRAFT IN HAYWARD, CA**

Teterboro, NJ, January 10, 2013 – Meridian, the full-service private aviation company headquartered at Teterboro Airport (TEB) in New Jersey, is pleased to announce that it will base one of its charter aircraft at Hayward Executive Airport (HWD) in Hayward, CA. The city of Hayward, fondly referred to as ‘Heart of the Bay’, is situated on the southeast side of the San Francisco Bay, and is centrally located between San Francisco, San Jose, and Oakland.

Meridian Air Charter operates twenty-one managed aircraft based nationally from New York to California. The newly-repositioned aircraft at HWD is a beautifully appointed, 9-passenger Citation XLS. This midsize jet is equipped with Wi-Fi, and it will be available for charter in early February 2013. Meridian Air Charter also recently opened sales offices at San Jose International Airport (SJC) in San Jose, CA, and Sonoma County Airport (STS) in Santa Rosa, CA.

Andrew Ladouceur, VP of Charter Sales & Client Services, had this to say, “By establishing ourselves in Hayward, San Jose, and Sonoma County, we are now in a position to handle increasing demand in the region, and fully serve our charter clients from Coast to Coast. We are truly excited about this opportunity.”

About Meridian:

Meridian is a full-service, private aviation company based in Teterboro, NJ, located just minutes from New York City. The company has earned numerous industry awards and accolades for its outstanding service and state-of-the-art facility. Meridian owns and operates businesses that include Air Charter, Aircraft Management, Aircraft Maintenance, and a world-class Executive Terminal / FBO.
